

# The MoDOT *Show Me Progress* Sign

June 28, 2000

**M**oDOT's slogan for highway and bridge construction is *Show Me Progress*. The slogan will appear on distinctive signs on construction projects to let people know what they're receiving for their investment in Missouri's transportation system.

A project description and completion date on the signs tells motorists what to expect from each project. The department's toll-free customer service number is also provided.

Motorists will begin seeing *Show Me Progress* signs all over the state later this summer. For more information on MoDOT's *Show Me Progress* Program, including a color sign, please visit MoDOT's web site at [www.modot.state.mo.us](http://www.modot.state.mo.us).
